

# PRESS RELEASE

## The Executive Board

Paris, December 6th 2016

The Executive Board of the French Pension Reserve Fund, Fonds de Réserve pour les Retraites (FRR), is pleased to announce that at the 2016 IPE Awards annual conference of Investment & Pensions Europe (IPE), the European leader of publications for institutional investors, FRR was honoured with two awards:

- Smart beta
- Specialist Investment managers

The FRR was also nominated in five other categories: Portfolio Construction, Passive Management, Pension Fund in France, Sovereign Reserve Fund and European Pension Fund.

In 2015, the FRR won the award for Best sovereign reserve Fund and the award for portfolio construction and was nominated in six other categories: Climate-Related Risk Management, Pension Fund in France, Specialist Investment Managers, Smart Beta, Passive Management, Long-Term Investment Strategy.

In 2014, FRR won the award for the Best Pension Fund in France and was nominated in the categories Smart Beta and Portfolio Construction.

\*\*\*\*

The FRR is an administrative public body of the French State established by law in 2001. With a Supervisory Board and an Executive Board, it is responsible for managing the funds that were entrusted to it up until 31 December 2010 to build up reserves contributing to the pension systems long-term
