

Press release

The Executive Board

Paris, 11th December 2013

The FRR received the Transparency award in financial management 2013 in the Pension Fund category. This prize was awarded on the 28th November 2013, during "Les Couronnes" ceremony of Instit Invest¹. It rewards the FRR for the quality of its financial communication on its activities of active and passive financial management.

This prize was awarded on the following assessment criteria:

- **Accuracy of the information,**
- **Tranparency of the information,**
- **Accessibility of the information,**
- **Veracity of the information.**

The FRR thanks its teams and its two service providers which were selected by RFP, and who currently helping the FRR to elaborate the tools of its communication. The service providers are "**Avantgarde**" for written communication (Annual report and ISR guide) and "**My Jungly**" for the creation and the management of the website.

Yves Chevalier, Member of the Executive Board
of the FRR at the Instit Invest ceremony.
