Executive Board

Paris, December 17th, 2009

On April 23th 2009, the FRR launched a restricted RFP with the intention of renewing some of its fixed income mandates. Upon completion of the selection process on the third lot, involving investment grade credit denominated in US dollars (active management), the FRR has selected the offers submitted by the following companies:

1. Axa IM Paris
2. BlackRock International
3. Conning AM
4. Deutsche AM International
5. Schroder IM

These mandates are awarded for a period of five years, with an estimated 1.5 billion euros in total funds under management (indicative amount).

The FRR was delighted with the quality of the proposals submitted and wishes to thank all candidates.

The FRR announced the recipients of the mandates for the first lot (inflation linked bonds issued in euros) and for the second lot (investment grade credit denominated in euros - active management), on November 16th and December 9th, 2009 (www.fondsdereserve.fr).
